

Partner Success Story

Our Partner

Located in Southeast Michigan, our partner serves a diverse population of over 3,000 student across 12 schools and programs.

The Challenge

The district's staffing needs are complex, marked by frequent internal turnover and challenges related to union processes, licensing, and hiring timelines. Developing strong relationships across departments has been vital to understanding and navigating the client's intricate organizational structure.

Our Solution

Soliant has supported this district for over three years, helping to strengthen internal processes and meet growing staffing demands. Recognized for responsiveness, relationship-building, and reliable service delivery, Soliant has become their leading staffing partner.

- Significant growth from 9 initial placements to over 30 active professional placements
- Rapid response to urgent staffing needs, including filling 16 paraprofessional openings within one week
- Collaborative approach between Soliant's account management and marketing teams to ensure full transparency and communication with district leadership
- Commitment to quality through proactive engagement and a deep understanding of district priorities

Results

- **100% renewal** of prior-year contractors
- **Consistent placement success** across paraprofessional and nursing roles
- **High satisfaction** due to Soliant's ability to deliver dependable candidates in critical support positions
- **Trusted partnership** built on responsiveness, reliability, and shared goals for student success

Key Metrics

Proven ability to **scale staffing quickly** while maintaining quality

Partnership built on **communication and trust** with district leaders

Recognized as the **preferred provider** among vendors
