

Partner Success Story

Our Partner

Serving over 69,000 students and 6,000 educators in the West Pennsylvania area across 15 public schools.

The Challenge

Our partner serves a large portion of West Philadelphia through multiple programs and departments, each with its own leadership and budget. This decentralized structure creates challenges in staffing coordination, communication, and invoicing accuracy.

Our Solution

Since 2018, Soliant has been a trusted partner in meeting complex staffing needs across the district's multiple programs and disciplines. Through close collaboration with each department, we ensure consistent coverage and service quality within a large, decentralized structure.

- Expert recruitment of special education professionals to meet program-specific needs.
- Proactive communication with multiple sites, supervisors, and coordinators across the district to ensure precision and transparency with placements and invoicing.
- Flexible, quality-driven approach that supports vendor partnerships while maintaining reliability and alignment with district standards.

Our staffing model and dedicated account management team enables the district to maximize resources, ensure continuity, and deliver high-quality support to students and staff.

Results

- Average of **20 contractors placed annually**, with strong retention and renewals year over year
- **Consistent success** filling Therapy (SLP, OT, PT) and Special Education roles across multiple programs
- Providing **Comprehensive staffing support** across all departments - **Placements include:** SLPs, OTs, PTs, RNs, LPNs, Special Education Teachers, Early Intervention Specialists, School Psychologists, Paraprofessionals, and Behavioral Specialists
